Gentlemen:

We have recently had some correspondence with Mr. Harrold E. Gillingham of Philadelphia on the subject of a medal which the Museum has. He suggests that we join your Society as an Associate Member in order to obtain your publications. He also suggests that it might be possible to arrange to secure back numbers. Will you please let us hear from you on the subject.

You were kind enough to identify three Chinese coins for us last year.

Very truly yours,

Laura M Bragg

Dear Madam:

We are in receipt of your favour of June 19th, We should indeed be glad to add The Charleston Museum to our Membership list. The annual dues of an Associate Member are but five dollars, and this entitles one to all the publications issued by the Society throughout the year, and also gives one the privilege of subscribing for any medals which we may have struck. Any back numbers of our publications can be obtained at the price given on the enclosed list.

I am enclosing an application card which I should be happy to have you return to me should you decide to make your Museum a member of our Society.

Trusting we may hear from you further and thanking you for your enquiry, I am
